RE: Environmental Baseline Survey (EBS) for Dewey Par
Lease to City of Jacksonville.

Dear Mr. Drawdy:

I have reviewed the above referenced document dated April 1996 (received May 1, 1996) submitted for the subject site. Please note that the EBS lacks information regarding the planned closure of UST No. G3900; therefore, the conclusions reached in the EBS are premature. As the City of Jacksonville is waiting for departmental concurrence on the EBS, please provide the tank closure information at your earliest convenience in order for the Department to finalize the review of the EBS.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspar, P.G.
